Sorry you are not feeling well Audrey. It is true that Mike approved the desk statement last Wednesday, we just don't have the package from the state as yet. I am attaching the final desk statement in case others would like to see it.

Take care,

Michele

Good Morning All,

I was supposed to be one of Paul's back up this week. Unfortunately, I have the flu and will not be in the office today. I won't be able to attend the Communications meeting this morning. I will be working at home tomorrow and, hopefully, be back in the office on Wednesday. It appears that Mike approved the Arroyo Grande AE request desk statement last Wednesday. I hope you all received this and I'm not sure if the State sent in the package prior to the holiday last week.

I hope each of you had a relaxing time off with you family and friends,

Audrey L. Johnson

Mike,

This is the latest version of the desk statement – David sent it to you last Friday. Please let me/Paul know if you need any changes, etc.

Also, please advise any plan you've devised with Ken Harris or Bruce Reeves or others on how

we will be receiving the package if we get it before Christmas as we've got back- ups upon back- ups for help to get the desk statement issued and the package posted on our website. I am only working a half day tomorrow and if we receive the package at their usual time of 6:30 pm, no one will be here to receive it.

I am working remotely today, however I am about to walk out my door to go to the car shop. I was out last night and my car started shaking when stopped, I need to get it looked at. I will have my phone with me, it rolls over from my office number.

Thanks

Michele

Hi Mike,

We are unsure when the State will formally submit the request, but it could be as early as this week. Attached is a draft desk statement for your review.

Thanks,

David
